PUBLIC NOTICE

REGARDLESS OF WHICH FUNERAL HOME YOU CHOOSE, INSIST YOU MEET WITH A FUNERAL DIRECTOR LICENSED BY THE ONTARIO BOARD OF FUNERAL SERVICES WHO SPECIALIZES IN PRE-NEED AND AT-NEED FUNERAL SERVICES AND WHO REPRESENTS A FUNERAL HOME THAT YOU KNOW AND TRUST.

An Insurance company offering final expense (FUNERAL) insurance recently mailed a solicitation to households in our communities and they may or may not claim an association with a local funeral home.

This recent mailer is in no way associated with McCulloch-Watson Funeral Home. Be wary of door-to-door insurance sales people who suggest they can offer funeral arrangements with your local funeral home.

Every family and every funeral is very unique. Our advice is simple: Regardless of what funeral home you choose, Insist you meet with a licensed funeral director with whom you know and trust. They will make sure you get the reliable answers and advice you need.

A death can be emotionally devastating and financially burdensome. Taking a little time to prepare now, will reduce the stress on your family at a very difficult time.

In addition to discussing and recording your personal funeral preferences with a Licensed Funeral professional, many families choose to prepay their funeral in full or by starting a payment plan. The future cost of the funeral will be locked-in and guaranteed with the Funeral Home. Limited additional payments may be required from outside sources when a death occurs.

It is crucial to know a guarantee is ONLY in effect when your funeral plan is arranged directly with a licensed funeral establishment. Payments made to a payment plan without a funeral home contract do not carry a contractual price guarantee.
